Find what you need, fast

Organize your way with notebooks and tags, or let our powerful, intuitive search feature do the work.

Wherever you go, the notes you need are instantly available.

“It feels like there are endless ways to use Evernote...
Use it for school, work, life, and beyond.”

— The Verge

More than a notebook

Evernote is the easy way to start getting organized so you can get more done.

[mini icon]

Organize

Use notebooks to structure your content. Add tags to make it easier to find.

[mini icon]

Clip

Articles, recipes, pages, images—keep track of everything useful you find online.

[mini icon]

Search

Find any text in any note. We'll even catch your typos and make suggestions.

[mini icon]

Sync

With Evernote on your computer and phone, your notes are always with you.

[mini icon]

Home

Start your day with a clear view of your most recent and relevant content.

[mini icon]

Tasks

Capture to-do lists with related notes so you can stay in the flow.

[mini icon]

Sharing

Share a note with friends or family, even if they don't use Evernote.

[mini icon]

Security

Safe, secure cloud storage keeps your information protected and private.

Discover the power of note-taking and start getting organized with Evernote Free.
